

Darling Point Wharf Upgrade community drop-in session postponed

Due to recent COVID-19 cases located in the eastern suburbs, we have postponed the Darling Point Wharf community drop-in session on Saturday 19 June for the safety of our staff and the community.

The new session will take place on **Saturday 26 June** between **1pm** and **4pm**. There will be no formal presentation so drop in at any time.

Please [register your interest](#) to attend. This will help us to put in place COVID safe measures and contact you if the situation changes.

About the proposed wharf upgrade

The NSW Government is planning to improve Darling Point Wharf as part of the Transport Access Program.

The upgrades would make the wharf accessible to people with additional mobility requirements, parents/carers with prams and customers with luggage.

For more information visit our [project web page](#) and [interactive portal](#) to see images of the proposed design.

Please feel free to share this information with your networks.
